Thence North 04°28'00" East 663.60 feet to the TRUE POINT OF BEGINNING, containing 14.99 acres.

NARRATIVE

This survey was performed at the request of Barry Euren for the purpose of locating the corners of the parcels shown on this plat. The United States Bureau of Reclamation (USBOR) had performed a survey of this section in 1966 to determine the boundary of the government "take line" around Starvation Reservoir. Several of the corners that were found or set as part of that survey were found and used as references for this survey. Using this data the section was subdivided and the parcels marked as shown.

SURVEYOR'S CERTIFICATE

This is to certify that I have surveyed the parcels of land shown on this plat and that the monuments indicated were found or set during said survey, and that this plat accurately represents said survey to the best of my knowledge.

Jerry D. Allred, Professional Land Surveyor,
Certificate No. 148951, (Utah)
